

BORING TUNNELING & TRENCHLESS TECHNOLOGY COMMITTEE

STAFF: [JENNIFER NEWTON](#), [DANIELLE KRAUS](#)

Do you have an item you want discussed at the next meeting, or want to know of any upcoming meetings or events? [CLICK HERE](#)

The committee provides members with up-to-date information developments in road boring, tunneling, and trenchless technology, including equipment, techniques, safety, regulations, and specifications. The committee also liaisons with members of the North America Society for Trenchless Technology (NASTT), the International Society for Trenchless Technology, and other related organizations.
