

SAFETY & HEALTH COMMITTEE

STAFF: [PAUL CAUSEY](#) , [LINDSEY CARTER](#)

Do you have an item you want discussed at the next meeting, or want to know of any upcoming meetings or events? [CLICK HERE](#)

This committee's mission is to cultivate positive attitudes toward safety and health by providing safety and health programs through training seminars. The committee explores new safety and health trends while reviewing compliance of new regulations and legislation. It provides quality safety management tools for the membership. Through interaction of the committee, members are able to share in innovative ways to meet employee safety and health needs.
