PRESIDENT'S MESSAGE

As we reflect on 2024, it is with great pride and gratitude that I share this year's accomplishments and progress in our annual report. Together, we have navigated challenges, embraced innovation, and upheld the values that define AGC of Texas: Skill, Integrity, and Responsibility.

This year marked a momentous occasion as AGC of Texas celebrated our 100th anniversary. We made significant strides in advocating for infrastructure investment, enhancing workforce development initiatives, and advancing safety standards across all projects. Our collective efforts have strengthened partnerships, created opportunities for growth, and elevated the standards of construction in Texas.

Thank you for your unwavering dedication, leadership, and support. Together, we will continue to build on our successes and lead the way in shaping the future of construction.

Mr. Wade Miller | AGC of Texas President

CENTENNIAL ANNIVERSARY

2024 marked a monumental year for AGC of Texas as we proudly celebrated a century of excellence. For 100 years, our members have exemplified Skill, Integrity, and Responsibility, shaping the infrastructure that drives our state's growth and prosperity. This milestone honors the legacy of those who laid our foundation and inspires us to continue advancing the highway-heavy construction industry for generations to come.

AGC OF TEXAS EVENTS

CHAPTER HIGHLIGHTS

300+	6,500+	78%	703
Meetings and events held in-person & virtually throughout the state in 2024.	The number of AGC of Texas members who attended AGC events & functions in 2024.	The annual member market share on TxDOT work for 2024.	The current number of AGC of Texas members with 242 General Members and 461 Associate Members.

Scholarship Program

This year's scholarship program reached remarkable new heights in 2024, achieving a record \$1.5 million raised during the Scholarship Gala. Thanks to the incredible generosity of our supporters, we were able to award an unprecedented 45 scholarships, empowering talented students to pursue their academic and professional dreams.

Technology Updates

This year marked a significant leap forward in technology for our association with the successful transition to MemberClicks. This new platform provides members with enhanced access and a more user-friendly experience. We also implemented Sage accounting software, streamlining financial management and improving efficiency.

2024 Elections

The AGC of Texas PAC demonstrated strong support for statewide races in 2024, contributing \$974,000 to 157 candidates. Impressively, 99% of the PAC-backed candidates won their general races. This success was made possible by the commitment of our 157 members of the 1924 Club, whose dedication ensures that the voice of our industry continues to be heard across Texas.

Thank you to all who volunteered your time and efforts to AGC of Texas in 2024! Your commitment has left an indelible mark on AGC of Texas and we are immensely grateful for your time, energy, and expertise.
